### BIGHORN-DESERT VIEW WATER AGENCY AGENDA ITEM SUBMITTAL

Meeting Date: June 27, 2023

To: Board of Directors Budgeted: N/A

**Budgeted Amount:** N/A

Cost: N/A

**Funding Source:** N/A

From: Marina D. West General Counsel Approval: Procedure Approved

**CEQA Compliance:** N/A

Subject: Adopt Resolutions Recommending Changes to Certain User Fees and Charges for Specific

**Individualized Services** 

#### **SUMMARY**

Staff has reviewed with the Finance Standing Committee the estimated cost to provide certain user specific miscellaneous services that are not related to the basic Utility Billing processes and is recommending changes to some fees to bring them in-line with the actual cost of labor and materials to provide the identifiable service(s). These services include new account set-up, fire flow tests, guarantee deposits, service line installation, termination of water service and the like.

The Committee review the draft Resolutions outlining various fees and charges currently in place at the Agency and recommended that they be agendized for the full Board of Directors to consider and possibly adopt.

These resolutions were posted prior to the Finance Standing Committee and re-posted at least 14-days prior to this Board of Directors meeting in accordance with the Mitigated Fee Act processes to which these fees are subject.

As of the posting of the Agenda, no comments have been received regarding the proposed fee changes. These fees would become effective no less than 60-days following their adoption.

#### RECOMMENDATION

That the Board considers taking the following action(s):

- Adopt Resolution No. 23R-08 Establishing a Schedule of Fees for Specified Services; and
- 2. Adopt Resolution No. 23R-09 Establishing a Schedule of Guarantee Deposits for All Customer Classifications Served; and
- 3. Adopt Resolution No. 23R-10 Establishing a Service Line Termination Fee for Customers who Voluntarily Terminate an Existing Water Service.

### **PAGE 6 of 128**

### **BACKGROUND/ANALYSIS**

Staff has reviewed with the Finance Standing Committee the estimated cost to provide certain specific miscellaneous services that are not related to the basic Utility Billing processes and is recommending changes to some fees to bring them in-line with the actual cost of labor, materials and/or equipment needed to provide the identifiable service(s). The specific fees and proposed changes are outlined in detail below.

Special Districts in California can impose user fees and regulatory fees for services and activities they provide through provisions of the State Constitution. Under Article XIIIC, Section 1, a fee may not exceed the estimated reasonable cost of providing the service or performing the activity. For a fee to qualify as such, it must relate to a service or activity under the control of the individual/entity on which the fee is imposed. For instance, a request to set-up a new water account, backflow test reminder letters and fire flow tests are specifically requested by the individual/entity. Or, when a check or credit card (disputed or reversed) is returned "Non-Sufficient Funds (NSF) it causes the Agency to perform specific activities related to each individual request.

In this manner, the service or the underlying action causing the Agency to perform the requested service is either discretionary and/or subject to regulation. Therefore, these miscellaneous user fees and regulatory fees fall outside requirements for imposition of taxes, special taxes or fees imposed as incidences of property ownership which would require the Agency to follow the procedures known as "Prop. 218". Prop. 218 is the process used to increase water consumption rates and monthly service charges. Instead these miscellaneous user fees are adopted via the procedure known as the Mitigated Fee Act.

The adoption of these miscellaneous user fees is governed by the Mitigation Fee Act (CA Govt. Code Sec. 66000 et seq.). In accordance with this Act, the Agency, on May 26, 2023, posted and distributed via email, the draft Resolutions which would then be at least 14-days prior to the Board's consideration for adoption.

1. RESOLUTION NO. 23R-08 ESTABLISHING A SCHEDULE OF CERTAIN FEES AND CHARGES FOR SPECIFIED SERVICES - New Account Set-Up, Delinquent Account Service Charge, Reversing Payments for Non-Negotiable Bank Returns, Public Information Request "Paper" Copy Charge, Backflow Device Installation Notification Letter Fee, Backflow Test Reminder Letter Fee, Release of Unsecured Lien for Delinquent Water Charges, Notary Public Fee, Fire Flow Test Fee, Will Serve Letter Fee, Variance Application Processing Fee, During Business Hours Call-Out Response Fee and After-Hours Call-Out Response Fee.

This Resolution combines several prior resolutions which defined the following miscellaneous fees and charges:

<u>Previously 21R-13</u> - Public Information Request "Paper" Copy Charge, Backflow Test Reminder Letter Fee, Release of Unsecured Lien for Delinquent Utility Billing Water Charges, Notary Public Fee [non-Agency Documents]

Staff is recommending the following fee(s) be increased via the listed Resolution.

### **PAGE 7 of 128**

• Increase the "Release of Unsecured Lien for Delinquent Utility Billing Water Charges" from \$25 to \$70 to cover estimated actual cost of labor, materials and/or equipment.

Previously 20R-05 – Fire Flow Test Fee, Will Serve Letter Fee, Variance Application Processing Fee

Staff is recommending the following fee(s) be increased or added via the listed Resolution.

- Increase the "Fire Flow Test Fee" from \$190.00 to \$310.00 to cover estimated actual cost of labor, materials and/or equipment.
- ADD new fee: During Business Hours Call-Out Response Fee for a "Customer-Side issue". A
  minimum fee of \$40.00 for a call-out during business hours which is later determined to be a
  customer-side issue. The Agency services are not for assisting customers with leaks on their
  side of the meter or disruption of service not caused by the Agency. This fee would be
  retroactive to the event and the customer would be warned in advance of technicians dispatch.
- ADD new fee: After-Hours Call-Out Response Fee for a "Customer-Side issue". A minimum fee of \$170.00 for an after-hours call-out. Should the response exceed the minimum 2-hour call-back then the customer will be charged the actual cost of services.
   The Agency maintains on-call personnel to respond to emergencies. Our on-call services are not for assisting customers with leaks on their side of the meter or disruption of service not caused by the Agency. This fee would be retroactive to the event and the customer would be warned in advance of after-hours dispatch.

Note that after hours call-out to unlock a locked meter is established by a separate resolution regulated by the SB 998 (Dodd) shut-off law/policy.

<u>Previously 20R-04</u> – Establishing New Account Set-Up, Delinquent Account Service Charge and Reversing Payments for Non-Negotiable Bank Returns

Staff is recommending the following fee(s) be increased via the listed Resolution.

- Increase the New Account Set-up Fee from \$35 to \$40.
- Increase the Non-Sufficient Funds Fee from \$35 to \$40.
- 2. RESOLUTION NO. 23R-09 ESTABLISHING A SCHEDULE OF GUARANTEE DEPOSITS FOR ALL CUSTOMER CLASSIFICATIONS SERVED Residential, 1-inch Bulk Hauling and 2-Inch Bulk Hauling, Agricultural, Commercial/Institutional/Industrial/Non-Agricultural, Fire Service and [Temporary] Construction

Previously 21R-12, staff is recommending the following fee(s) be increased via the listed Resolution.

• Increase the Construction Classification meter deposit from \$900 to \$1,775. This is the cost to replace the construction meter if it is lost, stolen or damaged while a construction meter account remains active.

### **PAGE 8 of 128**

### 3. RESOLUTION NO. 23R-10 — ESTABLISHING A TERMINATION FEE FOR CUSTOMERS WHO VOLUNTARILY TERMINATE AN EXISTING WATER SERVICE CONNECTION

Previously 20R-06, staff is recommending the fee be increased via the listed Resolution.

• Increase the meter termination fee from \$660 to \$1,050 to cover estimated actual cost of labor, materials and/or equipment.

Staff and the Finance Standing Committee recommend that the Board of Directors consider adopting these Resolutions which were posted on May 26, 2023 in accordance with the Mitigation Fee Act (CA Govt. Code Sec. 66000 et seq.).

### **RESOLUTION NO. 23R-08**

## A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BIGHORN-DESERT VIEW WATER AGENCY ESTABLISHING A SCHEDULE OF CERTAIN FEES AND CHARGES FOR SPECIFIED SERVICES

(New Account Set-Up, Delinquent Account Service Charge, Reversing Payments for Non-Negotiable Bank Returns, Public Information Request "Paper" Copy Charge, Backflow Device Installation Notification Letter Fee, Backflow Test Reminder Letter Fee, Release of Unsecured Lien for Delinquent Water Charges, Notary Public Fee, Fire Flow Test Fee, Will Serve Letter Fee, Variance Application Processing Fee, During Business Hours Call-Out Response Fee and After-Hours Call-Out Response Fee)

**WHEREAS**, the Board of Directors of the Bighorn-Desert View Water Agency ("Agency") is required by law to fix and establish fees and charges which will enable the Agency to operate and maintain its water system, provide for debt service payments, repairs and depreciation plus a reasonable surplus for capital improvements; and

**WHEREAS,** the Agency Rules and Regulations for Water Service (adopted by Ordinance) provides for the amendment of certain charges by resolution, by majority vote of the Board of Directors; and

**WHEREAS,** the Board of Directors of the Agency desires to fairly allocate the costs of specified services described herein and list in <u>Exhibit "A" – Schedule of Miscellaneous Fees and Charges for Specified Services</u> in a fair and equitable manner to be paid by those persons who are the actual beneficiaries or recipients of the services; and

WHEREAS, the establishment, modification, structuring, restructuring, and approval of rates and fees is exempt from the requirements of the California Environmental Quality Act as provided by California Public Resources Code Section 21080(b)(8); and

WHEREAS, the amount of the fees and charges hereby adopted do not exceed the reasonable anticipated costs for the corresponding services provided by the Agency, and therefore the fees imposed hereby to not qualify as "special taxes" under Government Code Section 50076, and the actions taken herein are exempt from the additional notice and public meeting requirements of the Brown Act pursuant to Government Code Section 54954.6(a)(1)(A) and (B); and

WHEREAS, the fees and charges set forth herein are not levied upon any person as an incident of property ownership, and thus are not subject to the substantive and procedural prerequisites of Article XIIID of the California Constitution.

### **PAGE 10 of 128**

**WHEREAS**, the <u>New Account Set-up Fee</u> is assessed whenever a new customer sets up water service. The fee covers staff time, materials and equipment to open the account in the billing software and dispatch a Water Distribution Operator to obtain a beginning meter read; and

WHEREAS, the <u>Delinquent Account Service Charge</u> is assessed per the Agency Rules and Regulations on water bills which have remain unpaid for twenty (20) days after the date of the billing and therefore shall be assessed a delinquent charge of a minimum of \$5.00 or 5% of the "past due" amount. Delinquent charges do not compound on future unpaid utility bills; and

WHEREAS, the <u>Reversing Payments for Non-Sufficient Funds Fee</u> is intended to cover the cost of reversing the payment in the utility billing customer account, dispatch a field technician to "hang a tag" to immediately notify the customer and to pay banking fees associated with the transaction. Non-Sufficient Funds result from a variety of banking issues such as an "unidentified account number", "closed account", "account with insufficient funds" and any fee returned through the automated payment portal whether made with an electronic check, debit or credit card; and

WHEREAS, the <u>Public Information Request "Paper" Copy Charge</u> (8.5" X 11" paper) is allowed pursuant to the Public Records Act wherein it establishes that the Agency can charge a fee to cover the direct cost of duplication; and

WHEREAS, the <u>Backflow Test Installation Notification Letter Fee</u> is assessed whenever an account fails to exercise its responsibility to install the required backflow prevention device following written notification of said regulatory requirement. The fee would be imposed after the initial notification which occurs either at the time the account is opened upon declaration of the application on the "Water Use Questionnaire" or thereafter upon recognition of a cross connection control hazard (ie. backflow hazard) by the Agency, and

WHEREAS, the <u>Backflow Test Reminder Letter Fee</u> is assessed whenever an account fails to exercise its responsibility to complete the required annual (or as otherwise required) backflow device testing and recertification and therefore must be notified in writing of said regulatory requirement; and

WHEREAS, the <u>Release of an Unsecured Lien for Delinquent Water Charges Fee</u> covers staff time to administratively process, notarize and mail documents to release unsecured liens imposed by the Agency on a private property's title record. "Unsecured Liens" are filed to protect the Agency from bad debt should a property change hands prior to the imposition of the annual "Secured Lien" process. The fee includes the third-party Notary Public Fee; and

WHEREAS, the <u>Notary Public Fee</u> is levied on all requests for Notary Public signature acknowledgements on any Agency documents. However, state law limits this fee to \$15.00 per document; and

Page 2 of 5 Resolution No. 23R-08 (Public Review Draft Posted May 26, 2023) June 27, 2023

### **PAGE 11 of 128**

WHEREAS, the <u>Fire Flow Test Fee</u> is assessed whenever the Agency receives a request to perform such Fire Flow Test and produce a Fire Flow Letter certifying the flow results, typically to satisfy requirements of the Fire Marshall during new construction permitting activities. The Agency will assess a fee of \$310.00 to perform each fire flow test and prepare the "Fire Flow Letter" certifying the results. A Fire Flow Letter is valid for a period of 365-days from execution. The Agency will provide an updated Fire Flow Letter if requested within 6-months of the date on the original Fire Flow Letter; and

WHEREAS, the <u>Will Serve Letter Fee</u> is assessed whenever the Agency receives a request to provide said "Will Serve Letter" to a parcel without a water meter, typically to satisfy County of San Bernardino requirements to obtain a building permit prior to construction. A Will Serve Letter is valid for a period of 180-days from execution; and

**WHEREAS**, the <u>Variance Application Processing Fee</u> covers the cost for staff to analyze customer requests for variances from the Rules and Regulations and to develop staff recommendation to present to the Board of Directors for consideration of the requested variance; and

WHEREAS, the <u>Call-Out Response - During Business Hours Fee</u> covers the cost of a Water Distribution Operator and/or Customer Service Representative who has responded to a Customer's request for assistance, during business hours, which is later determined to be a "customer-side issue". A "customer-side issue" is generally defined as response to an incident on the customer-side of the meter and is not related to any other standard service provided by the Agency, as a condition of service. Agency fee is based on an average of 1-hour response time for responding Water Distribution Operator and/or Customer Service Representative; and

WHEREAS, the <u>Call-Out Response - After-Hours Fee</u> covers the cost of a Water Distribution Operator and/or Customer Service Representative who has responded after-hours to a Customer's request for assistance, which is later, determined to be a "customer-side issue". A "customer-side issue" is generally defined as response to an incident on the customer-side of the meter and is not related to any other standard service provided by the Agency, as a condition of service. This is not related to an after-hours unlock fee following a lock-off event for non-payment, which is defined elsewhere in Agency policy. Agency on-call policy cites a 2-hour minimum call-back pay for responding Water Distribution Operator and/or Customer Service Representative; and

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Bighorn-Desert View Water Agency, after conducting a public hearing duly noticed pursuant to California Government Code Section 66016, that the public interest and necessity as described in the oral and written testimony and evidence presented during the public hearing on this matter, all of which are incorporated herein by this reference, requires the Board of Directors of the Agency to adopt the following:

### EXHIBIT A – SCHEDULE OF MISCELLANEOUS FEES AND CHARGES FOR SPECIFIED SERVICES

### **RESOLUTION NO. 23R-09**

### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BIGHORN-DESERT VIEW WATER AGENCY ESTABLISHING A SCHEDULE OF GUARANTEE DEPOSITS FOR ALL CUSTOMER CLASSIFICATIONS SERVED

(Residential, 1-inch Bulk Hauling and 2-Inch Bulk Hauling, Agricultural,

Commercial/Institutional/Industrial/Non-Agricultural,

Fire Service and [Temporary] Construction)

**WHEREAS**, on June 8, 2021, the Agency established Guarantee Deposits for the various account types then in existence; and

WHEREAS, on April 9, 2021 the Agency Ordinance No. 210-02 Rules and Regulations for Water Service became effective. The Ordinance provided for various Customer Classes: Residential, 1-inch Bulk Hauling and 2-Inch Bulk Hauling, Agricultural, Commercial/Institutional/Industrial/Non-Agricultural, Fire Service and [Temporary] Construction; and

WHEREAS, the Agency Rules and Regulations for Water Service Article 2.18, Article 3.2 and Article 11.0 provides for a <u>Guarantee Deposit(s)</u> to establish a new service account for various Customer Classifications; and

WHEREAS, the establishment, modification, structuring, restructuring, and approval of rates and fees is exempt from the requirements of the California Environmental Quality Act as provided by California Public Resources Code Section 21080(b)(8); and

WHEREAS, the amount of the fees and charges hereby adopted do not exceed the reasonable anticipated costs for the corresponding services provided by the Agency, and therefore the fees imposed hereby to not qualify as "special taxes" under Government Code Section 50076, and the actions taken herein are exempt from the additional notice and public meeting requirements of the Brown Act pursuant to Government Code Section 54954.6(a)(1)(A) and (B); and

WHEREAS, the fees and charges set forth herein are not levied upon any person as an incident of property ownership, and thus are not subject to the substantive and procedural prerequisites of Article XIIID of the California Constitution.

WHEREAS, the Agency Rules and Regulations for Water Service Article 3.9 and Article 13.0 provides for an additional Guarantee Deposit to re-establish service following a Lock-Off Event (e.g. Non-Payment or failure to comply with Cross Connection Control program, etc.); and

### **PAGE 16 of 128**

WHEREAS, the Agency has established a Guarantee Deposit of \$100 for all Residential, Commercial/Institutional/Industrial/Non-Agricultural and Fire Service Customer Classes and meter sizes served with a maximum Guarantee Deposit of \$200; and

**WHEREAS**, the Agency has established a Guarantee Deposit of \$100 for all 1-inch Bulk Hauling Customer Class with a maximum Guarantee Deposit of \$200; and

WHEREAS, the Agency has established a Guarantee Deposit of \$500 for the 2-inch Bulk Hauling Customer Class with a maximum Guarantee Deposit of two (2) times the highest monthly water bill, whichever is greater; and

WHEREAS, the Agency has established a Guarantee Deposit of \$500 for the Agricultural Customer Class with a maximum Guarantee Deposit of two (2) times the highest monthly water bill, whichever is greater; and

WHEREAS, the Agency has established a Guarantee Deposit for (Temporary) Construction Meter Customer Class (i.e. 3-inch fire hydrant meters) equal to the cost of a replacement meter plus a reasonable amount of water (e.g. five 2,500-gallon tank loads). Based on current costs the Agency established a deposit on construction meters of \$1,775.00.

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Bighorn-Desert View Water Agency, after conducting a public hearing duly noticed pursuant to California Government Code Section 66016, that the public interest and necessity as described in the oral and written testimony and evidence presented during the public hearing on this matter, all of which are incorporated herein by this reference, requires the Board of Directors of the Agency to adopt the following:

### A RESOLUTION OF THE BOARD OF DIRECTORS OF THE BIGHORN-DESERT VIEW WATER AGENCY ESTABLISHING A SERVICE LINE TERMINATION FEE FOR CUSTOMERS WHO VOLUNTARILY TERMINATE AN EXISTING WATER SERVICE CONNECTION

**WHEREAS**, the Board of Directors of the Bighorn-Desert View Water Agency ("Agency") is required by law to fix and establish fees and charges which will enable the Agency to operate and maintain its water system, provide for debt service payments, repairs and depreciation plus a reasonable surplus for capital improvements; and

WHEREAS, the Agency Rules and Regulations for Water Service (adopted by Ordinance) provides for the amendment of certain charges by resolution, by majority vote of the Board of Directors; and

**WHEREAS,** the Board of Directors of the Agency desires to fairly allocate the costs of specified services listed below in a fair and equitable manner to be paid by those persons who are the actual beneficiaries or recipients of the services; and

**WHEREAS**, the basic service charge is levied on all premises with a service line connection, whether or not any water was used during the billing cycle; and

WHEREAS, the Board of Directors recognizes that in order to avoid being billed the basic service charge, a property owner must terminate water service per applicable Article of the Agency Ordinance concerning Rules and Regulations for Water Service and therefore pay a Service Line Termination Fee to destroy the existing water service line from the mainline to the property; and

WHEREAS, the establishment, modification, structuring, restructuring, and approval of rates and fees is exempt from the requirements of the California Environmental Quality Act as provided by California Public Resources Code Section 21080(b)(8); and

WHEREAS, the amount of the fees and charges hereby adopted do not exceed the reasonable anticipated costs for the corresponding services provided by the Agency, and therefore the fees imposed hereby to not qualify as "special taxes" under Government Code Section 50076, and the actions taken herein are exempt from the additional notice and public meeting requirements of the Brown Act pursuant to Government Code Section 54954.6(a)(1)(A) and (B); and

WHEREAS, the fees and charges set forth herein are not levied upon any person as an incident of property ownership, and thus are not subject to the substantive and procedural prerequisites of Article XIIID of the California Constitution.

### **PAGE 20 of 128**

**NOW, THEREFORE, BE IT RESOLVED** by the Board of Directors of the Bighorn-Desert View Water Agency, after conducting a public hearing duly noticed pursuant to California Government Code Section 66016, that the public interest and necessity as described in the oral and written testimony and evidence presented during the public hearing on this matter, all of which are incorporated herein by this reference, requires the Board of Directors of the Agency to adopt the following Service Line Termination Fee as follows:

### Water Service Line Termination Fee \$1,050.00 per occurrence

**BE IT FURTHER RESOLVED**, that the General Manager and staff of the Agency are hereby authorized and directed to do such things and to take such actions as may be reasonably required to carry out the purpose and intent of this Resolution and as otherwise required in order to comply with applicable law.

**BE IT FURTHER RESOLVED** that, pursuant to Government Code Section 66017, this Resolution shall become effective sixty (60) days following adoption thereof and, thereafter, shall supersede any and all prior resolutions.

**PASSED, APPROVED, AND ADOPTED** by the Board of Directors to Bighorn-Desert View Water Agency this 27<sup>th</sup> day of June, 2023.

### BIGHORN DESERT VIEW WATER AGENCY AGENDA ITEM SUBMITTAL

Meeting Date: June 27, 2023

To: Board of Directors Budgeted: No- Budget Adj. Request

**Budgeted Amount:** \$140,000 (high est.)

Cost: N/A

From: Marina West Legal Counsel Approval: Obtained by

Liebert Cassidy Whitmore (Special Counsel

Personnel Matters)
CEQA Compliance: N/A

Subject: Authorize New Organizational Chart Creating Two New Job Positions with Associated Job Descriptions for Assistant General Manager and Water Distribution Supervisor; and Updated Job Descriptions for Existing Classifications for the Water Distribution Operator Series and Accounting Technician/Customer Service Representative Series; and Amending the Range and Step Scale by Resolution 23R-11; and Authorizing a Fiscal Year 2023/24 Budget Adjustment of \$140,000 for the Position of Assistant

**General Manager** 

#### **SUMMARY**

The Agency is actively preparing a succession plan in preparation for the retirement of the current General Manager. To that end, a new Organizational Chart is being proposed which creates two new positions. One of these positions results in an increase of one authorized position. One is a reassignment for the Agency's Water Distribution "Lead" Worker.

These two new job positions including job descriptions, range and step scale and organizational chart have been reviewed, approved and recommended for adoption by the Finance (Personnel) Standing Committee and Ad Hoc Committee for Succession Planning.

To that end, the Board of Directors has previously adopted the recommendation to develop an Assistant General Manager position as part of the Agency mid-term succession planning efforts and an Ad Hoc Committee is ready to start advertising for the position once it is fully authorized by the actions recommended herein.

The adoption of the listed recommendations will result in one position reassignment from Water Distribution Operator "Lead" to Water Distribution Supervisor as well as the addition of one new full-time position of Assistant General Manager.

### **PAGE 22 of 128**

The Agency's Special Counsel for personnel matters, Liebert Cassidy Whitmore, has reviewed all existing as well as these proposed job descriptions for compliance with applicable labor laws. Therefore this action includes approving the updated job descriptions for Water Distribution Operator series and Accounting Technician/Customer Service Representative series.

#### RECOMMENDATION

The Board considers taking the following action(s):

- 1. Authorizing and Amending Appendix D Agency Organizational Chart adding Assistant General Manager and Water Distribution Supervisor and removing part-time Grant Manager incorporated by reference to the Employee Handbook effectively increasing staff count by one (1) position, Assistant General Manager, and affirming total authorized full-time employee count of nine (9); and
- 2. Authorizing and Amending Appendix B Job Descriptions to add Assistant General Manager and Water Distribution Supervisor and to Update Existing Classifications for the Water Distribution Operator Series and Accounting Technician/Customer Service Representative Series which are Incorporated by Reference to the Employee Handbook; and
- 3. Adopt Resolution No. 23R-11 Authorizing and Amending Appendix C Range and Step Scale incorporated by reference to the Employee Handbook; and
- 4. Authorize adjustment to Fiscal Year 2023/24 Budget Line Item 01-01-560030 of \$140,000 commensurate with the Top of Range for Assistant General Manager position.

### **BACKGROUND/ANALYSIS**

### **Assistant General Manager**

In April 2023, the Board of Directors approved the *Ad Hoc Succession Plan* recommended by the Ad Hoc Committee appointed by the Board for this purpose. This is a new position which requires Board authorization including new job description, modification of the range and step scale and the Agency organizational chart.

The Ad Hoc Committee on Succession Planning has received Board approval for their recommended approach to finding a successor General Manager and that is to begin by developing and recruiting an Assistant General Manager. This Assistant General Manager position is intended to handle the day-to-day routine matters of Agency administration and governance as an alternative to the proposed Accounting/Customer Service Lead position described in the benchmark study.

### **PAGE 23 of 128**

### **Water Distribution Supervisor**

Staff also brought forth a Water Distribution Supervisor job description to the Finance (Personnel) Standing Committee in May 2023. Staff had previously informed the Board that our "lead" operator needs a new job title and job description which more closely matches the actual duties and responsibilities of the position. This was part of the 2021 *Non-Exempt Salary Benchmark Survey*. This position results in the "re-assignment" of the Water Distribution Operator currently functioning under the title of "lead worker". This position does not increase the full-time employee count.

Staff has done an informal evaluation of existing supervisory positions at local water agencies and has developed the attached job description. The salary range is based on the current Range and Step Scale logic of 15% change between each range and 2.5% change per each step (attached). There is no measurable effect on the Fiscal Year 2023/24 Operating Budget as the current salary paid is in-line with the range of this position.

### PRIOR RELEVANT BOARD ACTION(S)

**05/17/2023 Finance/Public Relations/Education/ Personnel Standing Committee (Special Meeting)** Recommend new job title and position description of Water Distribution Supervisor.

**04/11/2023 Motion No. 23-013** Approve the *Ad Hoc Succession Plan* and recruitment strategy for an Assistant General Manager.

**04/11/2023 Motion No. 23-012** Adopt Resolution No. 23R-05 Authorizing an 8.7% Cost-of-Living Adjustment for Non-Exempt Employees and General Manager and Amending Appendix C – Range and Step Scale Incorporated by Reference to the Employee Handbook.

**06/23/2021 Motion No. 21-037** Receive and File the Final Report titled *Non-Exempt Employee Salary Benchmark Survey*, May 2021; and Adopt recommendations for incorporation into the fiscal year 2021/22 budget for a net increase of \$21,054.

**09/19/2017 Motion No. 17-039** Motion authorizing part-time employment with Mr. Gary Sturdivan, Certified Emergency Manager, in a position title of Grant Manager, to develop and submit applications for an update to our Hazard Mitigation Plan and a planning grant for pipeline projects defined in the existing plan; and to authorize an update to the Agency Organizational Chart adding the identified position.

**11/27/2012 Motion No. 12-080** Adopt Resolution 12R-32 Amending the Employee Handbook for Purposes of Establishing the Policy/Procedure for Cost-Of-Living Increases, Modification of Holiday Provisions, and Modifying/Correcting/Adding Job Descriptions and Establishing and Organizational Structure.

#### **Discussion and Action Items -**

1. Public Budget Workshop No. 4 – Adopt Resolution No. 23R-07 Fixing and Adopting the Budget for Fiscal Year 2023-2024 for the Bighorn-Desert View Water Agency

#### **PAGE 74 of 128**

GM West gave the staff report with a Powerpoint presentation noting that only minute changes had been made to the budget since the 3<sup>rd</sup> Public Budget Workshop. One was the addition of Schedule A-1 depicting two years prior actual revenue and projected current year-end against the proposed final budget for Fiscal Year 2023/24.

GM West stated that no comments have been received through the Budget Workshops.

Director McKenzie asked if the pie charts can be created at any time during the year. GM West reviewed how the -10 accounts are expensed and how the "Due from" account is populated. GM West said that she will look at using the Project Manager report for monitoring the grant expenses.

Director Dicht made some comments about the budgeting process.

Public Comment: None

#### **Motion No. 23-016**

2. Public Hearing: Ordinance No. 23**O**-01 – An Ordinance of the Board of Directors of Bighorn-Desert View Water Agency Providing for Compensation of the Board of Directors and Establishing Procedures Related Thereto

GM West gave a brief staff report noting that the Board of Directors' requested, by majority motion, for staff to proceed with the process of increasing the Board's Per Diem amount by 5% to \$162.89 per day of service. She further reported the appropriate legal notice has been published for the prescribed period and that the notice and Ordinance have been posted at the Agency posting boards since April 19<sup>th</sup> as well.

She noted that no letters of protest, either verbally or in writing, have been received prior to the Public Hearing tonight.

Director Chapman noted the increase was approximately \$7. Director Dicht inquired on the cost of the legal publication. GM West stated that she was not sure.

#### **PAGE 75 of 128**

GM West answered questions from the Board.

#### President Burkhart opened the Public Hearing at 6:23 pm.

No Public Comments were received.

#### President Burkhart closed the Public Hearing at 6:24 pm.

Director Dicht made comments about the logic behind seeking a Per Diem increase at this time given the inflation we have experienced as individuals. President Burkhart agreed that it necessary to maintain interest from the public in joining the Board of Directors in the future.

#### Motion No. 23-017

- **6. Verbal Reports** Including Reports on Courses/Conferences/Meetings.
  - General Manager Report GM West reported that Pacific Western Bank stocks fell sharply today and to the point that stock trading was halted several times. As a result of this news, GM West is transferring money out of Pacific Western Bank into LAIF. The goal is \$2.9M but we have a \$1M wire transfer limit. GM West thinks it would be a safe hedge to open another checking account just in case things go south. Ms. Byerrum has suggested Five Star Bank and so GM West has reached out to them.

Director Dicht's asked about FrontWave Credit Union in Yucca Valley, CA. Some thought they don't do commercial banking but GM West said she would check into it. She further noted that US Bank is the holder of the PWB collateral funds.

Given that the Board had no objections to proceeding with the plan to move money to a new checking account and opening a CLASS account and moving money into those two plans.

#### **PAGE 77 of 128**

#### 2. Director Reports -

<u>Director Chapman</u> reported on the Post Office Garden public relations event as part of the Morongo Basin Conservation Association Desert-Wise Landscape Tour. It was noted that there were approximately 45 attendees.

<u>Director McKenzie</u> reported on the Homestead Valley Community Council meeting she attended in April. The Glamping Project was appealed but no word on when the appeal will go before the Board of Supervisors. The County Third District also held an Open House in Joshua Tree. May 20<sup>th</sup> is the Disaster Prevention event at Walmart. She summarized some ideas presented for an emergency preparedness kit. She gave some information on CHP and Sheriff's Department activities. She also reported on closures at the Johnson Valley Shared Use Area in August 2023 and February 2024. In closing she summarized activities at the local community associations.

<u>Director Dicht</u> reported on the Association of San Bernardino County Special Districts monthly dinner meeting (April 17<sup>th</sup>) on *Water Wise Programs* presented by Chino Basin Water Conservation District. A place where "lawns are still a thing" but they are working to educate the public on reducing water use on lawns. They are doing a Native Plant Certification for landscape contractors. He noted they have on-line resources for planning your landscape as well. He noted the next meeting is an "Open Mic Night" where attendees can speak about their own agencies.

## BIGHORN DESERT VIEW WATER AGENCY AGENDA ITEM SUBMITTAL

Meeting Date: June 27, 2023

**To:** Board of Directors **Budgeted:** Yes

**Budgeted Amount:** \$63,900 to be assessed

From: Rosa Carrick General Counsel Approval: N/A

Marina D. West CEQA Compliance: N/A

Subject: POSTING OF NOTICE OF INTENT to Consider Adoption of Resolution No. 23R-XX

Establishing Water Standby Assessments for Improvement District Goat Mountain for

Fiscal Year 2023-24 (Tax Year 2023) to be estimated at \$61,470

#### **SUMMARY**

Improvement District Goat Mountain (ID "GM") was annexed by the Bighorn-Desert View Water Agency in 2015 when the predecessor entity, County of San Bernardino Special Districts Community Service Area 70/Zone W-1 Landers, was dissolved by the Local Area Formation Commission of San Bernardino County.

Those parcels within ID "GM" that are not yet served by a water meter must pay a Stand-By and Availability Fee approved and assessed annually by the Board of Directors through the property tax rolls.

At least 15 days prior to the scheduled Public Hearing on the matter, the Agency must post a Notice of Intent by the Board of Directors to consider adopting a Resolution establishing Stand-By and Availability Fees for Water Services in Improvement District "Goat Mountain" (ID "GM"). To adhere to this requirement, the attached draft Notice of Intent was posted publically on June 23, 2023 and agendized for discussion and information purposes only for the June 27, 2023 meeting.

On July 11, 2023 the Board will hold a Public Hearing on the matter and following the conclusion of the Public Hearing consider adopting Resolution No. 23R-XX Establishing Stand-By and Availability Fees for Water Services In Improvement District Goat Mountain for Fiscal Year 2023-24 (Tax Year 2023). This fee applies to vacant unmetered parcels within the annexed Improvement District Goat Mountain only. As of June 23, 2023, the total amount of the stand-by fees to be assessed is \$61,470, staff will reevaluate after June 30, 2023 for the final amount. The assessed amount is down \$390 from prior year due to three new meters installed in current year. Due to timing of the posting and County of San Bernardino deadline for submission of assessments, this figure could change if new meters are purchased in the ID "GM" before the end of 2022/23 Fiscal Year.

The Fiscal Year 2023/24 Budget estimated non-operating revenue collected from the stand-by assessment to be \$63,900. All delinquent stand-by assessments will be received in the coming years as properties change hands and outstanding tax debts are paid. Eventually, the Agency will receive nearly 100% of the assessments.

The exact assessment will be provided in the July 11, 2023 Public Hearing staff report.

#### RECOMMENDATION

Information, Discussion and Public Notice Purpose Only – No Action Required

#### **BACKGROUND/ANALYSIS**

Improvement District Goat Mountain (ID "GM") was annexed by the Bighorn-Desert View Water Agency in 2015 when the predecessor entity, County of San Bernardino Special Districts Community Service Area 70/Zone W-1 Landers, was dissolved by the Local Area Formation Commission of San Bernardino County.

The annexation of Improvement District Goat Mountain (ID GM) into Bighorn-Desert View Water Agency requires that the Agency assume responsibility for proper collection of revenues through fees, charges and assessments which are necessary to operate and maintain the water system.

Therefore, those parcels within ID "GM" that are not yet served by a water meter must pay a Stand-By and Availability Fee approved and assessed annually by the Board of Directors through the property tax rolls.

Stand-by assessments are considered the vacant land owners "fair share" of maintaining the water system until such time as the owner wishes to purchase service at the property. In other words, it is the "fair share" for having the water system "stand-by" until the owner is ready to be served. For land owners that have a private water well there is a perceived benefit in having access to fire hydrants along the public right-of-way.

RESOLUTION OF THE BOARD OF DIRECTORS OF THE BIGHORN-DESERT VIEW WATER AGENCY
ESTABLISHING STAND-BY AND AVAILABILITY FEES FOR WATER SERVICES IN IMPROVEMENT DISTRICT "GOAT MOUNTAIN" (ID "GM")
FOR FISCAL YEAR 2023/24 (TAX YEAR 2023)

WHEREAS, the Board of Directors of Bighorn-Desert View Water Agency ("Agency"), acting in its capacity as the governing body of the Agency's Improvement District Goat Mountain (ID "GM"), hereby finds and determines:

- (a) That this Board of Directors finds that the water availability and standby charges in Improvement District Goat Mountain (ID "GM") were previously established by the County of San Bernardino pursuant to procedures set forth in former Section 25210.77b; and
- (b) That this Board of Directors may, by this Resolution, continue the water availability and standby charges pursuant to Section 54984.2 of the Government Code now and in successive years at the same rate.

#### NOW, THEREFORE, THE BOARD OF DIRECTORS HEREBY RESOLVES:

1. That, in accordance with Government Code, Section 54984.7, there are hereby fixed and continued without change and the charges shall be thirty dollars (\$30.00) per full acre in a parcel; and

- That for parcels of less than one (1) acre total, the charges continued herein for Improvement District Goat Mountain (ID "GM") shall be thirty dollars (\$30.00); and
- 3. That water availability and standby charges shall apply to each parcel of real property within the Improvement District Goat Mountain (ID "GM") which is within six hundred sixty (660) feet of a water main from which water service is furnished by the Agency; and
- 4. That the water availability and standby charges were previously established and fixed by the County of San Bernardino and that the Agency, as the successor-in-interest to the County by virtue of the completed annexation and conversion of the County's service area into the Agency's Improvement District pursuant to the LAFCO Reorganization Resolution No. 3197, adopted March 26, 2015, is hereby continuing such charges without change as permitted by Government Code, Section 54984.7; and
- 5. That the charges fixed and established herein shall be effective on and after the date of July 1, 2023, and shall be operative during Fiscal Year 2023/24, tax year 2023.

**PASSED, APPROVED, AND ADOPTED** by the Board of Directors of Bighorn-Desert View Water Agency this 11<sup>th</sup> day of July 2023.

## What is a Standby Charge?

#### **Background:**

The Uniform Standby Charge Procedures Act authorizes any local agency that provides water or sewer services to impose a standby charge in connection with the provision of that service. A standby charge is essentially an assessment that is charged to unimproved properties to ensure that adequate water or sewer service will be available for that parcel when needed. Standby charges normally appear on property tax bills, although they may be billed directly by the local agency.

#### What Properties are Subject to a Standby Charge?

Normally standby charges are assessed on undeveloped properties that currently are not using the services. These standby charges provide equity between existing ratepayers and future customers by spreading the cost to maintain water and sewer systems to owners of unimproved property who may eventually develop. However, standby charges may also be imposed on developed properties as well to finance water and sewer service expansions, recycling projects and conservation programs.

#### Who Authorizes the Standby Charge?

Standby charges must be authorized each year for collection on the county property tax bills and are subject to public notice and hearing requirements. For ongoing standby charges, if more than 40% of property owners protest, the charge must be put on hold until the following year, or put out to a vote of affected property owners.

#### **Special Requirements for New or Increased Charges**

Prior to imposing a new standby charge, or increasing the amount or the properties affected by an existing charge, the agency is required to give written notice to all affected property owners prior to the public hearing and include a ballot for voting. A majority vote of the affected property owners is required to approve the standby charge or the rate increase.

Alternatively, the agency may put the vote out to the electorate residing in that area at its option. In that case, a two-thirds vote is required to apply the charge.

#### **How is the Annual Charge Determined?**

The charge may be imposed on an area, frontage, or parcel basis, or a combination of these. The formula will be established by an engineer and be specified in original documents on file at the agency.

#### **How Long Will the Charge Continue?**

As long as it continues to be authorized each year, standby charges normally are assessed every year on unimproved properties. Once the property is developed, the charge will cease, and normal service rates will apply. Or, if developed properties are assessed a standby charge to finance growth or special projects, the standby charge normally continues until the project is fully funded.

Subject: Adopt Resolution No. 23R-12 Establishing the Agency's Investment Policy

#### **SUMMARY**

Annually the Board of Directors reviews its established Investment Policy and updates accordingly.

There were statutory updates in 2022 which require our policy to be updated. Legal counsel has provided the Resolution No. 23R-12 establishing the Agency's Investment Policy for Board consideration and possible adoption.

#### RECOMMENDATION

That the Board considers taking the following action(s):

1. Adopt Resolution No. 23R-12 Establishing the Agency's Investment Policy.

#### **BACKGROUND/ANALYSIS**

General Counsel Kennedy has provided the updated Resolution for 2023 with the following comments and one edit.

This policy resolution was reviewed by the Finance Standing Committee on May 17, 2023 and was recommended to be forwarded to the Board of Directors for further consideration and possible adoption.

#### Comment (not written in the policy):

The primary statutory changes regarding this matter that were enacted by the State Legislature in 2022 involve Senate Bill 1489, which amended an investment's term or remaining maturity to be measured from the settlement-forward date to final maturity. A security purchased pursuant to Government Code Section 53601 is prohibited from having a settlement date exceeding 45 days from the time of investment. In addition, Government Code Section 53646 was amended to extend the time that the treasurer or chief fiscal officer has to render a quarterly report to the chief executive officer, the internal auditor, and the legislative body of the local agency by 15 days, from 30 to 45, following the end of the quarter.

#### **PAGE 106 of 128**

#### **Edits to Policy:**

The following statement was removed from the policy to allow more flexibility in investing across the various financial institutions where the Agency has funds currently.

#### DELEGATION OF AUTHORITY

Authority to manage the investment program is derived from California Government Code Sections 53600, et seq. Management responsibility for the investment program is hereby delegated to the Treasurer, who, where appropriate, shall establish written procedures for the operation of the investment program consistent with this investment policy. No person may engage in an investment transaction except as provided under the terms of this policy and such procedures as may be established by the Treasurer. The Treasurer shall be responsible for all transactions undertaken and shall establish controls to regulate the activities of subordinate officials. Under the provisions of California Government Code Section 53600.3, the Treasurer is a trustee and a fiduciary subject to the prudent investor standard. The Treasurer shall be limited to investments in the Local Agency Investment Fund (LAIF) except in instances where specifically authorized by Board action to invest in other areas.

Staff recommends the Committee approve the modification and recommend that the full Board adopt the annual resolution as presented.

#### PRIOR RELEVANT BOARD ACTION(S)

Annual Action.

# RESOLUTION OF THE BOARD OF DIRECTORS OF THE BIGHORN-DESERT VIEW WATER AGENCY ESTABLISHING ITS INVESTMENT POLICY

#### 1. POLICY

WHEREAS, the Legislature of the State of California has declared that the deposit and investment of public funds by local officials and local agencies is an issue of statewide concern (California Government Code Section 53600.6); and

WHEREAS, the legislative body of a local agency may invest <u>surplus</u> monies not required for the immediate necessities of the local agency in accordance with the provisions of California Government Code <u>Sections 5920</u> and 53600; and

WHEREAS, the Treasurer or fiscal officer of the Bighorn-Desert View Water Agency ("Agency") must annually prepare and submit a statement of investment policy and such policy, and any changes thereto, shall be considered by the Board of Directors at a public meeting; and

NOW THEREFORE, BE IT RESOLVED by the Board of Directors of the Agency that it shall be the policy of the Agency to invest funds in a manner which will provide the highest investment return with the maximum security while meeting the Agency's daily cash flow demands and conforming to all statutes governing the investment of Agency funds.

#### 2. <u>SCOPE</u>

This investment policy applies to all financial assets of the Agency. These funds are accounted for in the annual Agency audit.

#### 3. PRUDENCE

Investments shall be made with judgment and care, under circumstances then prevailing, including, but not limited to, the general economic conditions and the anticipated needs of the Agency, which persons of prudence, discretion and intelligence exercise in the management of their own affairs; not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived. The standard of prudence to be used by investment officials shall be the "prudent investor" standard (California Government Code Section 53600.3) and shall be applied in the context of managing an overall portfolio. Investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual security's credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control adverse developments.

#### **PAGE 108 of 128**

#### 4. OBJECTIVES

<u>As specified in California Government Code Section 53600.5</u>, when investing, reinvesting, purchasing, acquiring, exchanging, selling and managing Agency funds, the primary objectives, in priority order, of the investment activities shall be:

- a. Safety: Safety of principal is the foremost objective of the investment program. Investments of the Agency shall be undertaken in a manner that seeks to ensure the preservation of capital in the overall portfolio. To attain this objective, diversification is required in order that potential losses on individual securities do not exceed the income generated from the remainder of the portfolio.
- b. Liquidity: The investment portfolio will remain sufficiently liquid to enable the Agency to meet all operating requirements which might be reasonably anticipated.
- c. Return on Investments: The investment portfolio shall be designed with the objective of attaining a market rate of return throughout budgetary and economic cycles, taking into account the investment risk constraints and the cash flow characteristics of the portfolio.

#### 5. DELEGATION OF AUTHORITY

Authority to manage the investment program is derived from California Government Code Sections 53600, et seq. Management responsibility for the investment program is hereby delegated to the Treasurer, who, where appropriate, shall establish written procedures for the operation of the investment program consistent with this investment policy. No person may engage in an investment transaction except as provided under the terms of this policy and such procedures as may be established by the Treasurer. The Treasurer shall be responsible for all transactions undertaken and shall establish controls to regulate the activities of subordinate officials. Under the provisions of California Government Code Section 53600.3, the Treasurer is a trustee and a fiduciary subject to the prudent investor standard.

#### 6. <u>ETHICS AND CONFLICTS OF INTEREST</u>

Officers and employees involved in the investment process <u>shall fully comply with the Agency's Conflict of Interest Code in the execution of this policy</u>, and shall refrain from personal business activity that could conflict or appear to conflict with the proper execution of the investment program, or which could impair their ability to make impartial investment decisions.

#### 7. <u>AUTHORIZED FINANCIAL INSTITUTIONS AND DEALERS</u>

The Treasurer may maintain a list of financial institutions, selected on the basis of credit worthiness, financial strength, experience and minimal capitalization authorized to provide investment services. In addition, a list will also be maintained of approved security broker/dealers selected by credit worthiness who are authorized to provide investment and financial advisory services in the State of California. No public deposit shall be made except in a qualified public depository as established by state laws.

#### **PAGE 109 of 128**

For brokers/dealers of government securities and other investments, the Agency shall select only broker/dealers who are licensed and in good standing with the California Department of Securities, the Securities and Exchange Commission, the National Association of Securities Dealers or other applicable self-regulatory organizations.

Before engaging in investment transactions with a broker/dealer, the Treasurer shall have received from said firm a signed Certification Form. This form shall attest that the individual responsible for the Agency's account with that firm has reviewed the Agency's Investment Policy and that the firm understands the policy and intends to present investment recommendations and transactions to the Agency that are appropriate under the terms and conditions of the Investment Policy.

#### 8. <u>AUTHORIZED AND SUITABLE INVESTMENTS</u>

- a. <u>Permitted Investments: Agency funds may be invested as authorized by, and subject to the limitations and special conditions of California Government Code Section 53601 et. seq.</u>
- b. <u>Prohibited Investments: Under the provisions of California Government Code Section</u> 53601.6 and 53631.5, the Agency shall not invest any funds covered by this Policy in inverse floaters, range notes, interest-only strips derived from mortgage pools, options and futures, or any investment that may result in a zero interest accrual if held to maturity. Also prohibited is trading securities for the sole purpose of speculating on the future direction of interest rated, purchasing or selling securities on margin, securities lending or any form of borrowing or leverage, and the purchase of foreign currency denominated securities.

#### 9. AUTHORIZED SIGNATORIES

Every financial transaction shall require two authorized signatures. Each transaction shall require one Authorized Board Member and one Authorized Agency Staff Member to complete the transaction or two Authorized Board Members. The aforementioned are authorized to transfer funds between any account of the Agency (ie. Local Agency Investment Fund [LAIF], California Cooperative Liquid Assets Securities System [CLASS]) with the approval and signature of any two of them. The Bank is authorized to honor all such transactions.

#### 10. COLLATERALIZATION

All certificates of deposits must be collateralized by United States Treasury Obligations. Collateral must be held by a third party trustee and valued on a monthly basis. The percentage of collateralizations on repurchase and reverse agreements will adhere to the amount required under California Government Code 53601(j)(2).

#### **PAGE 110 of 128**

#### 11. SAFEKEEPING AND CUSTODY

All security transactions entered into by the Agency shall be conducted on delivery-versus-payment (DVP) basis. All securities purchased or acquired shall be delivered to the Agency by book entry, physical delivery or by third party custodial agreement, as may be required under applicable law.

#### 12. <u>DIVERSIFICATION</u>

The Agency will diversify its investments by security type and institution. Assets shall be diversified to eliminate the risk of loss resulting from over concentration of assets in a specific maturity, a specific issuer or a specific class of securities. Diversification strategies shall be determined and revised periodically, if determined necessary to meet Agency goals. In establishing specific diversification strategies, the following general policies and constraints shall apply:

- a. Portfolio maturity dates shall be matched versus liabilities to avoid undue concentration in a specific maturity sector.
- b. Maturities selected shall provide for stability of income and liquidity.
- c. Disbursement and payroll dates shall be covered through maturities of investments, marketable United States Treasury bills or other cash equivalent instruments such as money market mutual funds.

#### 13. REPORTING

In accordance with California Government Code Section 53646(b)(1), the Treasurer shall submit an investment report to the Agency's Board of Directors at least quarterly. The report shall include a complete description of the portfolio, the type of investments, the issuers, maturity dates, par values and the current market values of each component of the portfolio, including funds managed for Agency by third party contracted managers. The report will also include the source of the portfolio valuation. If all funds are placed in LAIF, FDIC-insured accounts and/or in a county investment pool and/or JPA Investment Pools, the foregoing report elements may be replaced by copies of the latest statements from such institutions. The report must also include a certification that (1) all investment actions executed since the last report have been made in full compliance with the Investment Policy and, (2) the Agency will meet its expenditure obligations for the next six months, as required by Government Code Section 53646(b)(2) and (3), respectively. The Treasurer shall maintain a complete and timely record of all investment transactions.

#### 14. INVESTMENT POLICY ADOPTION

The Investment Policy shall be adopted by resolution of the Agency's Board of Directors. Moreover, the Policy shall be reviewed on an annual basis, and modifications must be approved by the Agency's Board of Directors.

Subject: Authorize General Manager to Execute County of San Bernardino Auditor-

Controller/Treasurer/Tax Collector Agreement for Collection of Special Taxes, Fees and

Assessments Fiscal Year 2023-24

#### **SUMMARY**

Each May/June the Agency summarizes the report of Bad Debt expenses owed for the prior year period and prepares for the submission of a collections report to the County of San Bernardino for inclusion on the secured tax rolls. The "lien process" concludes with a Public Hearing on July 11, 2023 and is finalized in August when the totals are submitted to the County of San Bernardino.

The Board of Directors is authorized by law, including, without limitation, pursuant to Bighorn-Desert View Water Agency Law (CA Water Code Appendix Section 112-1 et seq) to place such delinquencies on the secured tax rolls.

The Agency must execute the attached County of San Bernardino Auditor-Controller/Treasurer/Tax Collector Agreement for Collection of Special Taxes, Fees and Assessments Fiscal Year 2023-24.

#### RECOMMENDATION

That the Board considers taking the following action(s):

1. Authorize General Manager to execute the County of San Bernardino Auditor-Controller/Treasurer/Tax Collector Agreement for "District" for Collection of Special Taxes, Fees and Assessments Fiscal Year 2023-24.

#### **BACKGROUND/ANALYSIS**

Staff has mailed final notices for payment demand of outstanding delinquent balances which allowed sufficient notice to avoid inclusion in the Public Hearing on July 11, 2023 concerning the 2023/24 Tax Bill for Delinquent Water Accounts.

Annually the Agency must authorize execution of *County of San Bernardino Auditor-Controller-Treasurer-Tax Collector Agreement for Collection of Special Taxes, Fees, and Assessments Fiscal Year* 2023-24.

# AUDITOR-CONTROLLER/TREASURER/TAX COLLECTOR AGREEMENT FOR COLLECTION OF SPECIAL TAXES, FEES, AND ASSESSMENTS FISCAL YEAR 2023-24

THIS AGREEMENT is made and entered into this	day of, 2023
by and between the COUNTY OF SAN BERNARDIN	O, hereinafter referred to as "County
and the, hereina	after referred to as " <mark>Distric</mark> t".

#### WITNESSETH:

WHEREAS, Government Code Sections 29304 and 51800 authorize the County to recoup its collection costs when the County collects taxes, fees, or assessments for any city, school district, special district, zone or improvement district thereof; and

WHEREAS, the District and County have determined that it is in the public interest that the County, when requested by District, collect on the County tax rolls the special taxes, fees, and assessments for District.

NOW, THEREFORE, IT IS AGREED by and between the parties hereto as follows:

- 1. County agrees, when requested by District as hereinafter provided to collect on the County tax rolls the special taxes, fees, and assessments of District, and of each zone or improvement District thereof.
- 2. When County is to collect District's special taxes, fees, and assessments, District agrees to notify in writing the Auditor-Controller (268 W. Hospitality Lane, 4<sup>TH</sup> floor, San Bernardino, CA 92415) of the County on or before the 10<sup>th</sup> day of August of each fiscal year of the Assessor's parcel numbers and the amount of each special tax, fee, or assessment to be so collected. Any such notice, in order to be effective, must be received by the Auditor-Controller by said date.
- County may charge District an amount per parcel for each special tax, fee, or assessment that is to be collected on the County tax rolls by the County for the District, not to exceed County's actual cost of collection.
- 4. District warrants that the taxes, fees, or assessments imposed by District and collected pursuant to this Agreement comply with all requirements of state law, including but not limited to, Articles XIIIC and XIIID of the California Constitution (Proposition 218).
- 5. District hereby releases and forever discharges County and its officers, agents, and employees from any and all claims, demands, liabilities, costs and expenses, damages, causes of action, and judgments, in any manner arising out of District's responsibility under

this agreement, or other action taken by District in establishing a special tax, fee, or assessment and implementing collection of special taxes, fees or assessments as contemplated in this agreement.

- 6. The County Auditor-Controller has not determined the validity of the taxes or assessments to be collected pursuant to this contract, and the undersigned District hereby assumes any and all responsibility for making such a determination. The undersigned District agrees to indemnify, defend, and hold harmless the County and its authorized officers, employees, agents, and volunteers from any and all claims, actions, losses, damages, and/or liability arising out of this contract or the imposition of the taxes or assessments collected pursuant to this contract, and for any costs or expenses incurred by the County on account of any claim therefore, except where such indemnification is prohibited by law. If any judgment is entered against County or any other indemnified party as a result of action taken to implement this Agreement, District agrees that County may offset the amount of any judgment paid by County or by any indemnified party from any monies collected by County on District's behalf, including property taxes, special taxes, fees, or assessments. County may, but is not required to, notify District of its intent to implement any offset authorized by this paragraph.
- 7. District agrees that its officers, agents and employees will cooperate with County by answering inquiries made to District by any person concerning District's special tax, fee, or assessment, and District agrees that its officers, agents, and employees will not refer such individuals making inquiries to County officers or employees for response.
- 8. District shall not assign or transfer this agreement or any interest herein and any such assignment or transfer or attempted assignment or transfer of this agreement or any interest herein by District shall be void and shall immediately and automatically terminate this agreement
  - 9. This agreement shall be effective for the 2023-24 fiscal year.
- 10. Either party may terminate this agreement for any reason upon 30 days written notice to the other party. The County Auditor-Controller shall have the right to exercise County's right and authority under this contract including the right to terminate the contract.
- 11. County's waiver of breach of any one term, covenant, or other provision of this agreement, is not a waiver of breach of any other term, nor subsequent breach of the term or provision waived.
- 12. Each person signing this agreement represents and warrants that he or she has been fully authorized to do so.

# RESPONDING TO WATER EXTREMES

Californians can continue to expect periods of extremly dry conditions followed by severe winter storms. In the face of this weather whiplash, how can we meet our demand for water and solve our housing crisis? Join us as we tackle tough questions like:

How important is density and what role does it play in addressing the water/housing crisis?

Can we conserve our way out of a drought?

Are we really using what nature gives us?
