OWNER REQUEST TO PROVIDE WATER SERVICE TO TENANT

Date: _____

Account #: _____

County/Service Address: _____

Parcel #: _____

I, _____ (Owner/Property Manager) authorize my tenant, _____ to obtain water service at the above referenced property.

I understand that per Agency Rules and Regulations Article 10.2, I am ultimately responsible for the payment of all applicable water service charges applied to this parcel. Via this notice, owner/tenant is made aware that the Agency may, from time to time, terminate water service for non-payment of bills or for other reasons, which will result in any existing fire sprinkler system not functioning. Through the application process the owner/tenant has agreed to hold the Agency harmless for any claims arising out of any such circumstances.

I further understand that per Agency Rules and Regulations Article 12.0 that a lien may be placed on the parcel for any unpaid delinquent water service charges.
